DETAILED ACTION

Allowable Subject Matter

1. Claims 1-38 are allowed.
2. The following is an examiner's statement of reasons for allowance: the examiner is unaware of a semiconductor package for an image sensor device with an image sensor die having a first side with an active area and a bond pad and a second side with a lead mounted to it (and electrically coupled to the bond pad) such that a window is attached to the first side of the image sensor die.
3. Tu et al. (United States Patent Application Publication No. US 2002/0096729 A1) discloses an image sensor semiconductor package. However no leads are mounted to the bottom of the image sensor die in each of the illustrated devices in the Tu reference. Thus Tu does not teach the applicant's device.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
